

BEST – 4 Pillars Model

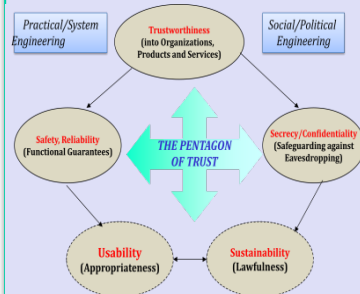

R2GS-SoSo - Specification Operational Security in Organisations

Club R2GS

Integrated Cyber Defense & Security Model

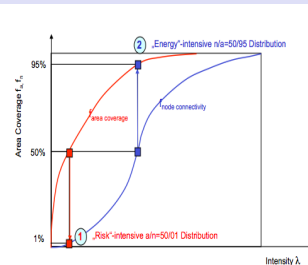

WHO

ICANN Stakeholder Model → ISO/IEC/IEEE 42010:2011

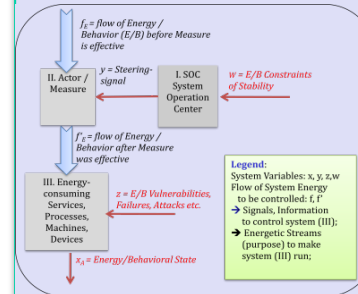

WHAT

Information & Data Acquisition Model → ISO/IEC 29180, ITU-T X.1311

HOW

Security Architecture Model → ISO/IEC 27044 SIEM; BSI IST/33 & ISO/IEC 19086-4 SLA

WHY

Compliance Model → ISO/IEC 27001:2013 & 22301:2014

4746-00 Information Security Indicators 2014-01-15 Club R2GS

Security Indicators Quick Reference Card (v1.1.1.1)

For IYS and Club R2GS, designed and edited by Axel Bartsch for member-owned GIGASecurity.

This Quick Reference Card provides information about the indicators to support users. The indicators were from the IYS to be used. For comments or suggestions please contact the editor: axel.bartsch@gigasecurity.de

2. Security Incidents (Def)		3. Security Incidents (Att)	
Indicator	Description	Indicator	Description
IS1	Security incidents (Def)	IS1	Security incidents (Att)
IS2	Security incidents (Def)	IS2	Security incidents (Att)
IS3	Security incidents (Def)	IS3	Security incidents (Att)
IS4	Security incidents (Def)	IS4	Security incidents (Att)
IS5	Security incidents (Def)	IS5	Security incidents (Att)
IS6	Security incidents (Def)	IS6	Security incidents (Att)
IS7	Security incidents (Def)	IS7	Security incidents (Att)
IS8	Security incidents (Def)	IS8	Security incidents (Att)
IS9	Security incidents (Def)	IS9	Security incidents (Att)
IS10	Security incidents (Def)	IS10	Security incidents (Att)
IS11	Security incidents (Def)	IS11	Security incidents (Att)
IS12	Security incidents (Def)	IS12	Security incidents (Att)
IS13	Security incidents (Def)	IS13	Security incidents (Att)
IS14	Security incidents (Def)	IS14	Security incidents (Att)
IS15	Security incidents (Def)	IS15	Security incidents (Att)
IS16	Security incidents (Def)	IS16	Security incidents (Att)
IS17	Security incidents (Def)	IS17	Security incidents (Att)
IS18	Security incidents (Def)	IS18	Security incidents (Att)
IS19	Security incidents (Def)	IS19	Security incidents (Att)
IS20	Security incidents (Def)	IS20	Security incidents (Att)
IS21	Security incidents (Def)	IS21	Security incidents (Att)
IS22	Security incidents (Def)	IS22	Security incidents (Att)
IS23	Security incidents (Def)	IS23	Security incidents (Att)
IS24	Security incidents (Def)	IS24	Security incidents (Att)
IS25	Security incidents (Def)	IS25	Security incidents (Att)
IS26	Security incidents (Def)	IS26	Security incidents (Att)
IS27	Security incidents (Def)	IS27	Security incidents (Att)
IS28	Security incidents (Def)	IS28	Security incidents (Att)
IS29	Security incidents (Def)	IS29	Security incidents (Att)
IS30	Security incidents (Def)	IS30	Security incidents (Att)
IS31	Security incidents (Def)	IS31	Security incidents (Att)
IS32	Security incidents (Def)	IS32	Security incidents (Att)
IS33	Security incidents (Def)	IS33	Security incidents (Att)
